

ECOLOGY YOUTH CORPS YOUTH CREW MEMBER APPLICATION

The Ecology Youth Corps (EYC) Program is made possible through the Waste Reduction, Recycling and Model Litter Control Act. It is funded by a tax paid by businesses that manufacture, distribute, or sell products that contribute to the litter problem.

The two types of EYC crews are:

- ◆ Road crews that clean litter and recycle materials from interstate freeways, state highways, boat launches, parks, and other public places.
- ◆ Special event crews that staff displays at public events, such as fairs and parades, to inform the public about litter prevention, recycling, and other environmental issues.

All crews participate in environmental learning activities. They may also assist in helping to promote the "Litter and It Will Hurt" campaign. Most employment occurs during the summer, although some activities occur year-round.

Applicants must: be 14-17 years old on the first day of employment; have a Social Security card; and be eligible to work in the United States.

Proper completion of your application and references is very important. Incomplete or unreadable applications or references will not be accepted. Make sure you have signed your application in ink, and attached your *two* references.

Crew members are hired through a standardized, competitive interview process. Due to the large number of applications received, we are unable to interview every applicant. **IF you are selected for an interview, you will be notified by phone or mail.**

We ask that applicants, *not parents or guardians, nor school counselors*, fill out the attached application. **Please remove and keep this page.** Mail your completed application, *before* the regional deadline, to the appropriate Ecology Regional Office listed on the reverse side.

Applications will *not* be accepted after the deadline.

For more information, please call the coordinator nearest you, at the phone number listed on the next page, or visit our website at: <http://www.ecy.wa.gov/programs/swfa/eyc/>

The Washington State Department of Ecology is an Equal Opportunity Employer and does not discriminate on the basis of race, creed, color, disability, age, religion, national origin, sex, marital status, disabled-veteran status, Vietnam-era veteran's status, or sexual orientation. For special accommodation needs, please contact the coordinator nearest you (phone number on next page).

printed on recycled chlorine-free paper

PLEASE READ CAREFULLY:

Applications must be legible, complete, signed in ink, accompanied by 2 teacher's references, and be received in our office before the deadline. (If your child is homeschooled, please call the regional office for guidance). If your application is found to be incomplete in any way, it may be returned or you may be entirely disqualified from recruitment this season. (**NOTE: If you wait until the last moment and fax your application on the last day, you may not get through.**)

Only applicants available to work for a full four-week work period will be considered for summer employment. Camps and vacations are not a good excuse to miss work when the work period is so short, and when many other teens both desire and need a job.

All EYC crew member positions are temporary. Hiring is based on the interview results. You will be notified regarding your interview status.

IMPORTANT - Where to Send Your Application

**Locate the COUNTY you want to work in from the boxes shown below.
Send your application to the Regional Office listed in the SAME box.**

COUNTY	NORTHWEST REGION
Island King Kitsap San Juan Skagit Snohomish Whatcom	EYC Coordinator Department of Ecology Northwest Regional Office 3190 - 160th Ave SE Bellevue, WA 98008-5452 Phone (425) 649-7224 Fax (425) 649-7098
